

GUATEMALA

Pastor Roberto Ventura continues to Pastor and give leadership to over fifteen Pastors in the Coatepeque region. Many of these churches Pastor Gordon Warriner had a chance to visit in May. He could see first hand the ministry in this area and how the children (orphans) are being cared for by Pastor Roberto and his team. Pastor Roberto has been told that the building he has been using is now only available if he pays a monthly rent. We are praying about this great need. For \$30,000 they could have their own piece of property and a building that would accommodate a church and home for Pastor Roberto and his wife.

AMAZON

Our work on the Amazon continues to move forward. We are so thankful for the dedication of our two workers there, John Fenske and Rebecca Stence. They continue to travel up and down the Amazon River bringing the Good News of Jesus Christ as well as meeting physical needs through medical care and repairing homes and churches.

MEXICO

Our children's homes in Mexico are now being overseen and operated by the Mennonite Organization, but we are still involved. The Mennonite Organization can do so much more than what we could do. Our role now is to come along side with support. Every year, we partner with our friend Jeff Jinnett, to take down Christmas gifts for all the children. It is one of their highlights of the year. We also do an outreach to the Tarahumara Indians, who still live in caves, where we bring food, clothing, and the Gospel.

Black Buffalo Global Missions would not be possible without your faithful prayers and support. It is amazing how so little can go so far in foreign mission fields. In Uganda, \$800 a month feeds 200 children 2 meals per day. For \$20.00 we can buy a child a mattress to sleep on. For \$10.00, we can buy a child a pair of shoes. For \$5.00 a mosquito net to help prevent a child from getting malaria.

For this trip to Uganda, we have been asking people to give towards these needs. We have received 200 Bibles to take with us. A local dentist has supplied us with toothbrushes and toothpaste for all the children. We have also had soccer balls donated for the children to play with! If you're feeling called to give, there are directions listed below! We would love to have you partner with us in these ministries!
